Fontys Teacher Training College presents:
A study trip to the IATEFL conference. Student teachers follow preparatory lessons, join their teachers to the IATEFL conference and complete follow-up tasks afterwards.

Preparatory Lessons:
- Raise Life Long Learning awareness.
- Information about international experts in EFL teaching.
- Conference etiquette and tips.
- Coach students in choosing suitable sessions/workshops.
- Information about the city.

@ The IATEFL Conference:
Students attend:
- 6 sessions
- 2 plenary sessions
- 2 evening events
- 3 tourist attractions

After the conference:
Students write a report about the conference and design 1 lesson that’s based on ideas gained at the conference.
Students present their favourite session and indicate how they would implement it in their teaching.
Students discuss the attended sessions in groups.
Students gain more insight in international perceptions on EFL-teaching.

All in all; a great course, a great conference, a great experience!
