Call for volunteers - Members at Large

TDSIG Committee seeks TWO (2) new members for our Committee!

TDSIG is organised in terms of projects rather than static roles, so we all work on two different projects as part of our position on the Committee. As a *Member at Large*, you will begin as support in two projects. After one year, you may become a permanent member of specific projects or switch to different projects. At the moment, we're looking for people to support these two:

Developod, the TDSIG Podcast

This project includes brainstorming topics, inviting and interviewing speakers, hosting, and producing 20-30 minute episodes on a monthly basis.

> *Main duties and responsibilities:*
> - ❏ help team with creative choices and direction, possible production support, possible hosting support.
