

### **Volunteer opportunity: Journal Copy Editor**

**As PronSIG's long-standing journal copy editor stood down from her role in the summer, we are now looking for someone to take over this position.**

The editorial team, who the copy editor will liaise with, is made up of extremely hard-working and experienced professionals who create a high-quality final draft of the journal. The draft is then passed on to the copy editor who:

- ☐ reads through the final draft cover to cover,
- ☐ identifies errors and inconsistencies in style/ formatting/ grammar/ spelling, and referencing, and above all,
- ☐ provides a fresh pair of eyes and a final polish.

Interested applicants should have

- ☐ copy editing experience and/or a qualification in copy editing,
- ☐ have an ELT or education background, and
- ☐ be a passionate pron-thusiast, or if not, be confident to work with content relating to pronunciation.

We publish Speak Out! twice per year and each issue is approximately 60 pages. The copy editor will have 3-4 weeks in January and again in August to work on the issues and send any feedback on to the editorial team prior to publication.

**Please note**, as the copy editor will only be working on the journal twice per year, this role will not be a committee position.
