Offers & discounts

If you are an ELT business and have some special offers/discounts to provide for our members, then we want to hear from you!

IATEFL is constantly looking at how we can offer new and exciting benefits to our members. It is important for us to stay up to date with industry products and services along with helping connect our members with ELT organisations and providers.

Receive excellent exposure for your brand by promoting your product/service(s) as a result of being listed and generating positive association to the IATEFL charity. Please ensure your benefit is relevant to English teachers and also of good quality (For example, we will not promote unaccredited courses).

If accepted, we will promote these benefits to our members by adding them to each member’s dashboard on the website where it can be viewed by the individual. Please be aware that we will not automatically accept each offer and there will be a review procedure.
If you would like to find out more about any of the marketing opportunities outlined in this pack or if you would like to discuss your own collaborative ideas, please contact a member of the IATEFL team.
