

IATEFL Health and Safety Declaration

for the IATEFL International Conference 2027 in Birmingham

DEADLINE: Wednesday 10 February 2027

IATEFL's Health and Safety representative reserves the right to monitor stand construction and to challenge contractors risk assessments and method statements.

A health and safety declaration must be completed by every exhibitor and returned to the exhibition officer via marketing@iatefl.org.

Other key staff (where applicable)	

Health and safety declaration

I declare that I have read the Health and Safety section of the Exhibition Manual and that I am aware of my obligation to ensure the health and safety of all my staff at the Conference, other exhibitors, delegates, visitors, organisers and any other persons who may be present.

I have ensured that my organisation is adequately insured, and will have completed and shared with IATEFL a Risk Assessment before we arrive on site and will bring a copy of this and my company's Health and Safety Policy document(s).

I can confirm that any company or individual that I employ or contract to build or assist in the building of my stand will have adequate insurance and that they have received sufficient instruction from your organisation and, in the case of contractors, that they will bring copies of their own risk assessment and company Health and Safety policy document(s)
